Hampsthwaite Feast

Established by Royal Charter in 1304

Foreword by Bryan Thompson

Jennifer and myself are delighted to be opening the 2011 Feast. Having been to school here at Hampsthwaite, as have our children and grandchildren, we have worked and witnessed many Feasts over the years.

We appreciate the long hours of hard work that goes into both the organising and running of Feast weekend. We hope the weather will be kind and good luck to everyone who has exhibited and long may it continue.

Welcome by Geoff Howard

2011 will see some important improvements for our village Feast. Most impressively, we now have our own Feast Cabins on Feast Field. These will provide much needed services and storage for the Feast and other Feast Field activities. We wish to thank all who have supported us in this venture and most of all, Mark Smith and HACS, without whom the project would simply not have been possible. We acknowledge also the financial support provided by the Knabs Ridge community fund to enable us to supply mains water and electricity to the cabins. There remains more to do but hopefully, next year we will have the benefit of fully serviced units with toilets, first aid point and catering facilities, in addition to storage.

Grant of Market and Fairs at Pannal and Hampsthwaite

The King to the Sheriff of York greeting.

Whereas we will that a market every week on Tuesday at our hamlet of Pannale which is a member of our manor of Knaresburgh and a fair there every year lasting four days to wit for two days before the feast of St Michael, the feast itself and the morrow of the same. And likewise that a market every week on Friday at our hamlet of Hamesthwayt which is a member of our manor aforesaid and a fair there every year lasting four days to wit for two days before the feast of the Translation of St Thomas the Martyr on the feast itself and the morrow of the same shall be held. We charge you that such markets and fairs in your full county you cause publicly to be proclaimed and firmly held.

Witness the King at Lincoln xxvii. Day of December.

Translation of original grant found amongst the Close Rolls of 33rd Edward 1. (1304)

Our thanks also to the Village Society for donating the Bob McLean trophy this year. This will be a major Feast trophy awarded to whoever gains the most points in sports. The Village Society have also presented us with new photo-etched metal name plaques for Feast Bridge.

We have one disappointment this year in that we will not be joined, on this occasion, by the miniature steam engines because we clash with another show. It is perhaps an opportunity to reflect upon the contribution these engines have made in recent years and assess their importance to us. Last year they had to stop the rides early because, even after repeatedly being asked not to, some youngsters continued to run around in front of the engines, and this is dangerous. Perhaps if this had not happened any clashes would have come out in our favour?

But we are seeking alternatives and have improved the general format of the Feast programme. Following on from the immensely successful Duck Race last year, we have arranged that the Saturday evening Feast Family BBQ will be held in the garden of the Joiners Arms. Our thanks to John Adamson for making this possible. As ever, there will be live music and a BBQ, although this year the Feast Crew will do the cooking for you, so no need to bring your own – all will be provided at very reasonable cost. The main difference this year, and yet another improvement, will be our first staging of 'Hampsthwaite's Got Talent' – open to youngsters 16 and under.

The Feast Crew wish you all a most enjoyable weekend and ask that you also support the Feast Scarecrow Competition, Feast Quizzes and Grand Feast Raffle (to raise funds for Yorkshire Air Ambulance). Finally, tickets are on sale now and at the Feast for our Birstwith and Hampsthwaite Duck Race on August bank holiday and for Birstwith Show, with whom we are pleased to co-operate more and more closely.
