Welcome to pizzaovenshop.com the home of a range of affordable pizza ovens capable of making delicious home-made stone baked pizzas in your garden.

Our superb stone baked pizza ovens start at just £99.99 - that's a similar price to a reasonable garden barbecue, with some fantastic starter pack deals available, designed to save you almost £25.00. Our ovens are built in such a way that they do not require any installation at all - you can literally take your new pizza oven out of the box and fire it up... it really is that simple!

By bringing you a true stone baked pizza experience at an affordable price, you can now completely change how you entertain friends and family in your garden. Imagine... no more boring barbecues with burnt sausages and dry burgers... just prepare the raw ingredients and let your friends enjoy the experience of making their own pizza from start to finish, whilst enjoying a glass of wine or a cold beer in the sunshine. Happy days!

All our ovens are extremely versatile and can be used for far more than just cooking pizzas. Why not try your hand at baking flatbread, or perhaps using your oven to bake a home-made lasagne? Maybe sticky barbecue ribs or sweet pizzas are your thing... one thing's for sure, whatever rings your bell, you'll find that a pizza oven from thepizzaovenshop.com will quickly become your very best friend when it comes to entertaining outside.

Looking after your pizza oven

All our pizza ovens are built so that they require very little maintenance. The main thing to remember is that you will get the very best performance from your pizza oven if you have ensured that it has been lit for at least half an hour, two times before you use it to make pizzas in. We recommend [...]
