# HAMPSTHWAITE FEAST 2015

## Foreword

**Hampsthwaite Feast provided one of my earliest experiences of the Hampsthwaite village community.**

When I first became involved with Hampsthwaite School three years ago, I was, of course, very aware of the strong connections between school and village. At the Feast, I discovered the true community spirit that really makes Hampsthwaite so special, with the welcoming atmosphere of warmth, friendliness and genuine family fun.

The Hampsthwaite Feast and Show involve people of all ages and all walks of life with spectacular events, displays, shows and stalls, and bring us all together with a real sense of celebration. I feel very proud to be part of this year's Feast and to be invited to officially open the celebrations.

Having run for over 700 years, the Feast truly is a testimony to the commitment and dedication of those who give their time to organise the event, and to those from the wider community who bring so much to the Feast and Show every year. At school, we are also delighted that the Feast will be raising money this year to help reinstate another wonderful part of our village heritage - Maypole Dancing. We hope to restore this tradition next year, with a new set of Maypole ribbons, crown and pole. Hopefully this time next year, we will have a Hampsthwaite School Maypole Dance team performing at the Feast!

Enjoy the festivities,

**Mr Phoenix. Headteacher, Hampsthwaite CE Primary School**

# HAMPSTHWAITE FEAST 2015

## Welcome

It seems only yesterday that we were enjoying watching the very first Hampsthwaite Champion (Jess Oakley) being crowned. Yet here we are, fast approaching the 2015 Feast, which promises to be even more fun for everyone involved.

However we must remember that whilst we are all enjoying this wonderful village event each year, the money you spend is going towards helping local organisations and charities improve their facilities or to improve people's lives within our local area. This year we have supported Hampsthwaite School to help bring back the long-lost tradition of Maypole dancing to the village. The original Maypole will be renovated, with new ribbons and crown attached and will be used every Mayday from next year on the village green by the children at Hampsthwaite School.

Our chosen charity for this year's Feast will be St Michael's Hospice in Harrogate. St Michael's touches many of Hampsthwaite resident's lives at some time or another, providing much needed help and respite for those most in need. The hospice is funded entirely from charitable donations, so the work we do this year will help this very worthy cause.

You will also see that this year we will kick off Feast weekend by unveiling a brand new Feast Queen trailer, which has been designed and lovingly built by the Feast team with the extremely generous support of W. Bowers of Hampsthwaite who funded the project and whom I wish to thank for their exceptional enthusiasm for the Feast.

This year's event is peppered with new initiatives and attractions. On Saturday afternoon after the show judging has finished, we are inviting families to join us on Feast Field from 4pm onwards for a family sports picnic afternoon event. Bring along your own picnic and blanket and we will lay on some family fun games and sports. There will be a licensed bar in support of Feast funds. The family fun will last until 7.30pm when the bar will close. Of course the usual Feast evening at the Joiners will also be taking place for those seeking a more lively evening with live music (a superb Meat Loaf tribute act) and hot food from 6pm.

My personal thanks goes out to the numerous people and local businesses who support us every year and without whom, the Feast would not exist. Fingers crossed the sun will shine upon us during Feast weekend so you can all enjoy the fruits of our labour!

Iain Rowson, Feast Chair

## Feast Air Show 2015

We are privileged to have the BBMF C-47 Dakota fly-past for this year's Feast. The Dakota saw widespread use by the Allies during WWII serving in every theatre of the war, most notably in Burma and also during the D-Day landings and the airborne assault on Arnhem in 1944. An unsung hero of the war; as one Dakota pilot put it: "You can wreck a Dak, but you can't wear it out!"

## Ghouls & monsters Scarecrow Competition

Ghouls and Monsters is this year's theme for our popular annual Scarecrow Competition, sponsored by Northern Energy, which takes part in the week building up to Feast weekend.

The idea is simple...just create a fiendishly scary monster, ghost or ghoul as your scarecrow and put it into your front garden by Saturday 11th July. You are only inhibited by your own imagination, so you can re-create a monster or ghoul from the movies, or create something totally unique...it's completely up to you!

Either way, just pop into Hampsthwaite Post Office to register your entry into the competition and to collect your entry number to pin to the front of your 'scary' scarecrow. Then, from Saturday 11th July, everyone in the village can wander round the village to judge who they feel has created the most frightening display. The winner will be announced on Feast Field at 5pm on Feast Sunday 19th July.

Entry forms available now from the Post Office.

Are you up for a challenge?

## You could be the next Hampsthwaite champion!

Last year saw the unveiling of the brand new Hampsthwaite Champion event, run by the young Army apprentices from The Army Foundation College. With 20 contestants taking part, the title was hotly contested and eventually won by Jess Oakley of Brookfield by the slimmest of margins (Well done Jess!!).

Now an integral part of Feast Sunday, we are once again putting the men, women and over 16 year old teenagers of Hampsthwaite directly up against each other to try and find this year's Hampsthwaite Champion.

So, if you love a challenge, then this is definitely for you. During Sunday afternoon on Feast Field, you'll be faced with various challenges involving skill, dexterity and sheer determination all which have been devised by the Army at Uniake Barracks Pennypot especially for this event. Think Krypton Factor meets It's a Knockout and you'll get the idea.

Ladies, this is your chance to show the men of Hampsthwaite who's boss....that is assuming that one of the teenagers (or heaven's forbid one of the men) doesn't win! So if there's an on-going battle in your house as to whether women are better than men or vice-versa, here's your chance to battle it out against your better half and get an answer once and for all!

The event will be run with the help of the Army throughout the afternoon on Feast Field culminating in the winner being named at the end of the day.

The Hampsthwaite Champion challenge is your chance to take on the village and win! So if you're up for the challenge, register on Feast Sunday. Spaces are limited to the first 20, so don't think for too long or you could miss out.

Oh, and there's a £50 first prize up for grabs plus your name on the trophy if you're crowned as the winner!

Over 16's  
ONLY

£50  
FIRST PRIZE  
TO BE WON

Don't miss  
out on the  
challenge.

To enter - sign up at 11.30 am Feast Sunday!!

## Appeal for new Feast members...

### Would you like to see the Hampsthwaite Feast continue in future years?

The Feast is a wonderful village event which has been run by a group of dedicated villagers whose children grew up in the village over a number of years, and who have been organising the event ever since....some for almost 15 years!

Partly because of changes in personal circumstances of some of the committee members and also partly due to the age of others involved, the Feast committee will see some changes after this year's event. These changes will enable new members to come forward with ideas and bring new energy to next year's event.

Consequently, we desperately need new members to join the committee if the main Feast weekend is to continue in its current format in future years.

If you enjoy the Feast weekend event and would be prepared to get involved, please, please, please come along to our new members' evening on 8th September 2015 at 8pm in The Joiners Arms. We would love to see you!
