## KEEP THE FIGHT GOING!

### WHAT NEXT.....

Sadly, this is only the beginning; there is still lots more work to be done as more bad news emerged this week.

- ❖ Sir James is submitting a *planning application* for HM9 (Birstwith Road) without waiting for the result of the district plan consultation.
- ❖ In addition, Sir James has submitted an application for 5 houses on the paddock opposite the church, the one that floods!
- ❖ Vernon & Co have submitted their planning application for HM4 & HM5 (Rowden Lane)

As Sir James is submitting a planning application **before** the outcome of the consultation we **HAVE** to object **AGAIN** & even more forcefully. Because HBC have no overall plan, unless we fight **ALL** these applications with the same determination – but more so, these plans will be passed.

The Brookfield Garth application has been referred back to HBC, on the grounds of: too many houses ,not enough green space & loss of public footpath. This means a fresh application and another consultation.

However, whilst all this is a massive challenge, if we want to preserve our village we **MUST** keep the fight going. As before, the action group and the Parish Council will do all it can to help and keep you informed – but your help & support is also needed.
