

# KIDS CAN DO IT!

## Making Button Badges

112mm dia  
to locate  
cutter (not needed  
if you carefully cut  
out the 68mm circle  
with scissors)

68mm dia  
of circle cut  
to make badge

55mm dia of  
completed badge  
- keep design  
inside here

You can then draw your own  
design and add your name  
inside the 55mm circle . . . . .

. . . . . or you can add your  
name to some pre-printed  
designs or blanks we will have  
on the day (including Dinosaurs!)
