

Hampsthwaite Memorial Hall

Hire charges 2023

General

There is an agreed 'standard' default hire charge of £25 per hour for the Main Hall and £15 per hour for the Small Hall. These prices assume some minor shared use of the kitchen area and/or Sun Lounge. Alternatively, the Memorial Hall bookings are based on a three session day at £50 per session. The Kitchen and Catering Equipment hired may be hired separately at £25 per session.

A full day general use would normally be £150 and a full weekend with some overnight usage £500

Given the need for setting up and clearing away time often required, these 'standard' charges can easily become excessive and so a series of Fixed Charges for specific events has also been devised as shown below.

Hirers are reminded that all charges are based on the assumption that they will take responsibility for replacing all furniture etc. to exactly where it is taken from unless advised not to. Hirers are reminded also that it is their responsibility to ensure all waste generated by the event is removed from the site afterwards.

To keep prices low, and for the general benefit of the community, Hampsthwaite Memorial Hall is operated by unpaid volunteers.
