## Foreword

As a pair of incomers, Jim and I feel flattered and delighted to be asked to open the 2014 Hampsthwaite Feast.

We also feel privileged to have been warmly welcomed 37 years ago into this super village community in such a beautiful part of England among people who work for and value its traditions whilst also looking to the future.

Long may all that continue.

Enjoy the celebration!

Lynn and Jim Hunter

## Welcome

Why is it that, as one gets older, the years seem to pass more quickly! It seems very recently indeed that I stood in Feast Field last year and marvelled at what, as a small village, we have been able to achieve over the years. This is a tribute to the commitment of our resourceful and capable Feast Crew who are clearly able to create events on a par with many professional organisations.

But for me it was my 15th year as Chair of the Feast and I think it was at that moment I resolved that I would retire. I have continued in a backseat role during preparations for Feast 2014 - difficult at times as you will appreciate : but I have tried! Credit for the Feast this year must therefore go entirely to the various sub-groups which have emerged to take over the mantle. And I must limit my involvement to making my annual plea for good weather so that we might all enjoy another great event, so richly deserved following all the effort the Feast Crew put into it.

My final remarks however must go to all the residents of Hampsthwaite, their friends and families who each year have supported the event to make it what it is and also the many local businesses without whose sponsorship we simply could not continue.

So it is a time of change and a time for new blood. Please do not hesitate to make yourself known to any member of the Feast Crew if you feel you can help to take this great village tradition forward in future years.

Geoff Howard

### Memorial Hall Refurbishment

Feast Saturday marks the official opening of our Memorial Hall following its extensive refurbishment works to improve energy efficiency. The project was made possible as a result of major grant funding from Waste Recycling Environmental (WREN) plus additional support from Awards for All, the Knabs Ridge Community Fund and several local businesses.

Hampsthwaite Feast is pleased to be associated with this major project and to be included in the list of other local groups, societies, and individuals who also gave support. A plaque to commemorate the achievement and acknowledge all who contributed will be on display.

**Are you up for a challenge?**

## You could be the first Hampsthwaite champion!

This year we're doing something a little different on Feast Sunday as our main arena event. For the very first time we're putting on a contest which puts the men, women and over 16 year old teenagers of Hampsthwaite directly up against each other to try and find the Hampsthwaite Champion 2014.

If you love a challenge, then this is for you. During the Sunday afternoon on Feast Field, you'll be faced with six challenges Involving skill, dexterity and sheer determination all which have been devised by the Army at Pennypot Garrison especially for this event. **Think Krypton Factor meets It's a Knockout and you'll get the idea.**

Ladies, this is your chance to show the men of Hampsthwaite who's boss....that is assuming that one of the teenagers (or heaven's forbid one of the men) doesn't win! So if there's an ongoing battle in your house as to whether women are better than men or vice-versa, here's your chance to battle it out against your better half!

The event will be run by the Army throughout the afternoon culminating in the winner being named at the end of the day.

The Hampsthwaite Champion challenge is your chance to take on the village and win! So if you're up for the challenge, register your name at the Post Office now. Spaces are limited, so don't think for too long or you could miss out.

**Oh, and there's a £50 first prize up for grabs along with vouchers from Crossfit of Harrogate worth £135 for the winner and runners up.**

## A special thanks to

Having spent many years of his life dedicated to making the Hampsthwaite Feast into the superb event that you enjoy today, it is now time for Geoff Howard to step back from the Feast, so as to enjoy a more relaxed retirement.

I have spent 11 years as the Feast Vice Chair working alongside Geoff and I am sure that I speak for many in thanking Geoff for his unbelievable energy and endless enthusiasm, without which I am sure the Feast would almost certainly have come to an untimely end many years ago.

And I must not forget Janet. Having spent many an hour in Geoff and Janet's company, Janet has always been at Geoff's side, supporting him in everything he has done, both for the Feast and indeed for the village.

Geoff, you are a good friend and have done us proud. I wish you every happiness in the years to come - you certainly deserve it.
